Parents Reaching Out Uniting the District  
Parent Advisory Group for Special Education

## Our Mission

Sayreville PROUD is a parent led advisory group for parents/guardians of special education students, also known as "SEPAG." New Jersey Administrative Code 6A:14-1.2(h) states that: Each board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities.

Our mission is to facilitate communication between parents, students, Special Services administrators, the community, and the Board of Education to enhance the quality of special education policies, programs, and practices to promote inclusion, understanding of and support of all children with different abilities leading to success within their community.

As a SEPAG, we provide all an opportunity to raise questions, voice your concerns, and to assist in providing direct input to Special Services administrators and the Board of Education.
